

O'Rourke & Associates

Sustaining values—ethics, service, stability, culture and agility—are much more than words. Credit Union leaders live those values and so do we. Working together, we ensure the industry's leadership and their credit unions thrive.

O'Rourke & Associates congratulates the following individuals on their appointment as CEO in 2011. It was a pleasure working with you and your board and we wish you the best of success in 2012.
